

Society of Homeopaths

Dear member

We are pleased to inform you that the Society's AGM and Members' Discussion session will take place on the afternoon of Friday 29th May 2020.

Originally planned for April 25th in London, the rescheduled AGM meeting will be held online via Zoom webinar and will start at 4.00pm.

During the AGM, highlights of the services and the annual accounts for 2019 will be presented by the Board.

Ahead of the AGM there will be a Members' Discussion session from 2.30 to 3.50pm. We welcome questions submitted to the Society office in advance of the AGM. Please email: info@homeopathy-soh.org There will also be opportunities for members to ask questions throughout the session via the webinar messaging system.

During this session the Board will provide an update on its consultation with members on the PSA accreditation.

The main documents for the AGM are available in the members' area of the Society website under **MySociety/2020 AGM**. You will see on the agenda that there is a proposal for changes to the Articles; the document will be made available next week and we will notify you once it is on the website.

Please note that as the AGM and discussion session are taking place via Zoom webinar not Zoom meetings, you will need to register for the event in advance and download Zoom (free of charge).

To register for the AGM and Members' Discussion session, please book online <https://homeopathy-soh.org/events/2020-agm/>

This event is free of charge and for Society members only. On booking the event, you will receive a booking confirmation email and further instructions. If you do not receive this within a few days of booking, please contact the office. The webinar log in details will be issued directly by Zoom.

We do hope that you will be able to join us for the AGM and Members' Discussion.

With thanks for your support
Kind regards

Richard O'Quinn - Interim CEO
